

TravelEase - Northern Pakistan Packing Checklist

Packing smart is key to a comfortable and safe journey in the diverse climates of Northern Pakistan. Use this checklist as a guide.

CLOTHING (Layering is Essential)

- **Base Layer:** Thermal shirts and leggings (2-3 pairs).
- **Mid Layer:** Fleece jackets or warm sweaters (2).
- **Outer Layer:** Waterproof and windproof jacket. A down jacket is highly recommended for cold nights and high altitudes.
- **Trousers:** Comfortable trekking pants (2 pairs) and one pair of casual trousers/jeans.
- **Shirts:** T-shirts or collared shirts (4-5).
- **Nightwear:** A comfortable set for sleeping.
- **Accessories:** Woolen cap/beanie, sun hat/cap, gloves/mittens, and a scarf or buff.
- **Socks:** Woolen hiking socks (4-5 pairs) and casual socks.

FOOTWEAR

- **Main:** Waterproof hiking boots with good ankle support (broken in before the trip).
- **Secondary:** Comfortable sneakers or sandals for evenings and town exploration.

HEALTH & HYGIENE

- **Personal First-Aid Kit:** Band-aids, antiseptic wipes, pain relievers (Ibuprofen/Paracetamol), medication for diarrhea, and any personal prescriptions.
- **Toiletries:** Toothbrush, toothpaste, biodegradable soap/shampoo, moisturizer, and lip balm with SPF.
- **Sun Protection:** Sunscreen (SPF 30+).
- **Hand Sanitizer.**
- **Insect Repellent.**

DOCUMENTS & MONEY

- **Identification:** CNIC for Pakistani nationals; Passport and Visa for foreign nationals.
- **Photocopies:** Keep digital and physical copies of your important documents.
- **Cash:** ATMs can be unreliable in remote areas. Carry sufficient Pakistani Rupees (PKR).

ELECTRONICS

- **Power Bank:** Essential for charging devices where electricity is scarce.
- **Camera:** With extra batteries and memory cards.
- **Phone & Charger.**
- **Headlamp/Flashlight:** With extra batteries.
